2020 HUNDERTGULDEN RIESLING GG VDP.GROSSE LAGE®

Vineyard

The grapes come from an old vineyard in our VDP.GROSSEN LAGE Appenheimer Hundertgulden. Limestone rock and marl formed from the coral beds of the tertiary primeval sea characterise the soil there. The steep, southwest-facing slope with its high carbonate content allows the grapes to fully ripen very slowly and produces wines with razor-sharp minerality and clarity. Pure limestone!

Vinification

The very late harvest of the highly ripe grapes is staggered by hand. For optimal extraction of the aromatic substances, the grapes are gently crushed in the winery and left to stand in their own juice for a few hours. After gentle pressing, the must ferments with the vineyard's own yeasts. After 8 months of yeast storage, the wine is bottled in the summer.

Tasting notes

In the nose the aroma of fresh peach and apricot, spicy components, a little tea and tobacco. The fruit intensifies on the palate, with mineral and earthy notes. Very complex and dense fruit. After further aeration in the glass, full sweet fruit. Long, sinewy finish with cool smoky minerality. Please decant!

Analysis

alcohol: 13 % vol.; residual sugar: 4.0 g/l; acidity: 7.7 g/l
